OM SHANTIDHAMA CHARITABLE TRUST

MEMORABLE SERVICES TO
OM SHANTIDHAMA
VEDA GURUKULA MAHAVIDYALAYA

Smt. Dr. Kanakalatha Sundareshan and Dr. M. N. Sundareshan are a unique couple who have dedicated their precious lives to serve the noble causes of mankind.

Soon after their return from overseas professional assignments to homeland, have with all sincerity taken up serving the deserving projects through their own Charitable Trust called “**Chaitanya Public Charitable Trust**”.

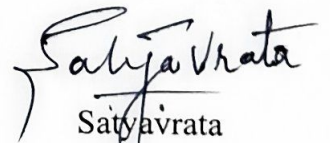

In their search they have found out Om Shantidhama Veda Gurukula Mahavidyalaya as the most deserving institution for the reason that the institution has been providing value based education, food, lodging and all other residential facilities for free of cost over 3 decades.

The couple evinced great interest in the activities of the institution and participated in many programs and projects by extending their whole hearted support.

They have appreciated the extraordinary work done by Om Shantidhama and magnanimously extended their financial support for the construction of ‘**Acharya Kuteer**’ taken up by Om Shantidhama.

The doctor couple, apart from their personal involvement, have also introduced similar worthy donors to Om Shantidhama.

Om Shantidhama always looks forward for similar services through **M/s Chaitanya Public Charitable Trust** to Om Shantidhama and to the nation at large.
