Respected Dr. Sundareshan,

Society's Care for Indigent (SOCARE IND)

As Society's Care for Indigent (Socare Ind) completes its 27 years of its mission in giving comprehensive care, such as free shelter, nutrition, education and health care to Indigent Children, mainly belonging to the children of prisoners serving their life term in the prisons of Karnataka, we would like to acknowledge the contributions made by you and your beloved wife, Late Smt. Dr. Kanakalatha Sundareshan to Socare Ind. At a very critical moment of crisis that we were facing due to lack of funds you came to our rescue by donating a huge sum of Rs.10,00,000.00 (Rupees Ten lakhs only)through Chaitanya Public Charitable Trust founded by you. You did not stop at that. You and your beloved wife Smt. Dr. Kanakalatha actively participated in the day to day running of the NGO by sharing your wisdom and offering medical advice, counselling etc.

As Members of the Managing Committee you and Smt. Dr. Kanakalatha played a crucial role in shaping the future of the children that Socare Ind nurtured and is still nurturing. Sir, hundreds of children who grew up under the care and protection of Socare Ind are now gainfully employed as Engineers, Executives in Banks and many large Companies. One of our inmates, an International Champion in Teak Wondo martial arts has set up a Sports Academy in Bangalore under the National KHELO INDIA program.. All these children who were once shunned by the society as children of criminals with stigma attached to them for no fault of them are well integrated into the mainstream society as positive contributors. Chaitanya Trust in general, you and your beloved wife Smt. Dr.Kanakalatha in particular have a rightful share in the growth story of the children of Socare Ind. Our Founder Trustees and his team acknowledge your unstinted support to Socare Ind for these many years. We once again thank you for your gracious support to us and seek your blessings and guidance in future too.

Thanking you once again with kind regards,
Yours sincerely,

S. Manju Anand
Secretary.
